Welcome to the Simi Valley Days Parade. This is your information sheet for your entry. Please note that the staging time is the recommended time for you to have your entry to your assigned area. ***Access to the your assigned area can not be guaranteed after the Cut Off Time and you may miss out on the prejudging if your group is not staged.***

Below are directions to your staging and check-in area, please note that Los Angeles Ave. between Madera & Sycamore will be closed to through traffic and that many points of access will be blocked off by the police department. Your best route to your area is detailed below.

Directions:

BANDS: Band buses will enter the marshaling area by turning onto Los Angeles Ave from Sycamore (From 118 Freeway exit Sycamore and go south). Buses will proceed only as far as Bridget, where buses will make an U-turn and unload band participants. Buses will then exit the area at Los Angeles and Sycamore. **Empty buses will be parked at the west end of the parade route, in the west bound lanes of Los Angeles Ave just east of Harleys Bowl. Band members, equipment will disband in this area then exit to Madera Ave.**

Thanks and have a great time at this year's Simi Valley Days Parade!
