Class Number # _____

Staging Time: **6:00** Access Cut Off Time: **7:30**

Chairpersons: Rosie Paola 805 527-9500 or C 310 625-5146

****PLEASE DISTRIBUTE COPIES OF THIS INFORMATION TO ALL PARTIES IN YOUR GROUP****

Welcome to the Simi Valley Days Parade. This is your information sheet for your entry. Please note that the staging time is the recommended time for you to have your entry to your assigned area. ***Access to your assigned area can not be guaranteed after the Cut Off Time and you may miss out on the prejudging if your group is not staged.***

Below are directions to your staging and check-in area, please note that Los Angeles Ave. between Madera & Sycamore will be closed to through traffic and that many points of access will be blocked off by the police department. Your best route to your area is detailed below.

Directions:

Floats will marshal in the southern most east bound lanes next to curb on Los Angeles Avenue between Erringer & Bridget. Floats and participants will enter on Heywood from Sycamore then right on Bridget to Los Angeles Ave. turning left into the eastbound lanes of Los Angeles Ave. All floats will be instructed to be in place prior to 7:30 a.m. for prejudging. There will be **NO** float traffic allowed from west of Bridget on Los Angeles.

On completion of the parade Floats that need to offload passengers will continue though Sinaloa and Offload participants in the westbound lane of Los Angeles Ave. in front of Harleys Bowl. Disband your group then continue east to Madera Road. Floats not unloading passengers continue straight to Madera. Please remember that once you have left the parade route and disbanding area all vehicle safety laws apply.

Thanks and have a great time at this year's Simi Valley Days Parade!
